

# Environmentally friendly project in the Esentepe area - studios, apartments, townhouses!

s-es-012

## Описание:

This groundbreaking project can make your investment an opportunity of a lifetime!

It is currently the only sustainable project in the Esentepe area that cares about the impact we have on our planet.

It combines stylish and modern living with sustainable ideas and plenty of adventure! Together they create a combination that will ensure that your jump into the Mediterranean and the region is profitable!

A cozy complex consisting of studio apartments, loft apartments, townhouses benefits primarily from its location, because it is located on the very seashore, in close proximity to the international Golf club, and also a 15-minute drive from the center of Kyrenia. This provides a unique opportunity for residents to use their property for recreation, rental or permanent residence.

The complex offers apartments of very different layouts - from studios to apartments with one and two bedroom lofts, as well as stunning townhouses with access to the pool.

Hurry up to buy a property, because the completion of construction and the receipt of keys in December 2013!
