Описание:

This 3+1 resale villa is located in the İskele Gardens area of Zodiac City and offers open views of both the sea and the mountains. Priced at £235,000 and sold unfurnished, it gives you the freedom to set up and decorate the space to match your own style.
The layout feels open and bright thanks to large double-glazed PVC and aluminum windows that bring in plenty of natural light throughout the day. Downstairs, the living room features a fireplace and natural marble windowsills, flowing directly into a modern high-gloss kitchen with a separate pantry for extra storage. Quality ceramic and wood finishes, along with glass railings on the stairs, give the interior a clean, contemporary look.
Outside, there is a built-in barbecue area ready for weekend gatherings. The house comes equipped with a solar water heating system, an electric backup water heater, air conditioning infrastructure, plus central internet and satellite connections.
Situated right in İskele's central gardens area, the property offers a quiet residential setting while keeping you just a few minutes away from shops, beaches, restaurants, and daily amenities.
