Описание:

We are pleased to offer you another interesting project, located in close proximity to the sea! The project is located within walking distance from the Salamis Hotel and the Municipal Beach. But this is just the beginning - the apartments are ideal not only for relaxing in a stunning location, but also close to all the infrastructure! The newly built Near East College and Hospital, Bedis Beach and Salamina Ruins Park are just a few minutes walk from the complex, while Iskele and Famagusta Town are a 5 minute drive away.

An unbeatable location away from the city noise and with all the possibilities for a comfortable permanent life with the family. Needless to say, the apartments in this building will be great for renting out!
