

A luxurious villa built in a secluded location, surrounded by protected forests

s-es-123

Описание:

A luxurious villa built in a secluded location, surrounded by protected forests, is located on a plot of 967 sq. m.t. This unique new home is located in a beautiful wooded area of a nature reserve. This site is the last and only construction site in the forest zone. The government has no longer issued building permits in the area since 2008.

The villa is fully completed, furnished and ready to move in. The property is located in a beautiful forested area in the upper part of the Esentepe settlement, offering incredible and breathtaking views of the sea and mountains.
