

One bedroom apartment, new construction standards in Cyprus

s-isk- 42

Описание:

We are thrilled to present this stunning innovative new development that sets new standards to construction in North Cyprus. Built on the land, sized 44,000 square meters, the complex offers all possible benefits of the developed infrastructure and high quality construction. The development is located in Iskele, in walking distance to the shops and sandy beach, however a bus will take the residents to and from the beach several times a day. One bedroom apartments have living area ranging from 53.13 square meters to 113 square meters depending on the building and the floor it is located on.

Depending on the specifications, the price of the apartments is from 55200 GBP to 95,000 GBP.

Each apartment benefits from natural marble flooring, fitted units and partial white goods in the kitchen, marble tiling in the bathroom, built-in wardrobes in the bedroom, central air-conditioning system, balcony.

Convenient payment plan is offered to customers – interest-free instalment payments over 30 months. For more information, please contact Alliance Estate.
