For sale: a 2+1 apartment from the developer Kōmürçücil in one of the best areas of Famagusta, near City Mall. The apartment is located on the second floor (not the ground floor). It is within a few minutes' walk from major shops and schools, making it an ideal option for families and working professionals.

The building is only 8-10 months old, and the apartment features bright, dry rooms. It comes fully furnished with appliances and installed air conditioners, so you can move in immediately and enjoy the comfort.

The apartment's area is 70 m². The price (excluding agency fees) is £73,000. All taxes have been paid, and the purchase documents have already been submitted, ensuring a secure and transparent transaction.

The building is standalone and has 5 floors. There is parking available under the building for residents. Nearby, there is a public school, numerous kindergartens, and the largest shopping mall — all just a minute's walk away.

This apartment offers a unique opportunity to combine the convenience of city living with the comfort of new, modern housing.
