

Apartments 2+1 in the very center of Famagusta, Turkish titles

S-F-05

Описание:

This apartment building will be built in the very center of Famagusta, literally within walking distance - all the necessary infrastructure of a developed city - shopping centers, a supermarket, offices, restaurants. The International University is a five-minute walk away, there is transport to E M U University, and the university bus stop is nearby. The ideal location of this project guarantees the highest rental price and permanent occupancy! Buyers who wish to receive guaranteed rental conditions are invited to include in the contract the conditions of a guaranteed rental for a year with payment for half a year in advance! The house is located on land with TURKISH TITLES.

A total of 12 two-bedroom apartments will be built in the building.
