

Apartments in a new complex in the center of Kyrenia

S-KI-88

Описание:

Apartment in the center of Kyrenia, offering excellent investment opportunities! Profitable rental or resale due to the constant rise in prices in Cyprus and especially in the city of Kyrenia. The residential complex is located next to supermarkets, public transport, and all developed infrastructure of the city!

The apartment is located in a complex with a swimming pool, parking under the apartments, on the ground floor and a public landscaped area.

Apartment area 1+1 – 60 sq.m.

The cost of apartments depends on the location and floor - 130,000 Completion of construction - December 2025
