

Apartments in a resort complex on the beach, all infrastructure

s-gz-15

Описание:

The new seaside resort complex offers studios and apartments of various layouts and prices. The complex is located on land with Turkish titles of international recognition in the Guzelyurt region, declared by the Government as a special Tourist Region. There is a choice here for everyone who dreams of living by the sea, within walking distance of the beach, in a luxury beachfront complex with guaranteed rentals and excellent infrastructure.

Offered for sale are one-bedroom apartments starting from 60 sq.m. , apartments 2+1 from 100 sq.m., as well as various penthouses. The project completion date is December 2024.
