

Apartments in Alsancak, in a small apartment complex

s-als-03

Описание:

This property is perfect for those who are looking for a cozy home to live or relax! A small complex is located in the picturesque foothills of Alsancak, in a quiet green place and close to the entire infrastructure of the settlement. An English school and a kindergarten are within walking distance.

The complex's services include a communal swimming pool, an equipped park with walking paths, places for recreation, a playground and landscaping.

Near the apartment complex there is a large municipal playground with a mini zoo.

Two two-storey buildings offer comfortable apartments, with full finishing included in the price. There is a convenient payment plan until the end of construction.

Offered for sale are apartments in two blocks, a total of 20 apartments, two-room and three-room.
