

Apartments of different layouts in the center of Famagusta, a development with infrastructure

s-f-06

Описание:

Apartments with one, two and three bedrooms are offered in the luxurious development in the center of Famagusta. Apartments with balconies and large terraces are offered for sale in a complex with a developed infrastructure: there is a pool, elevators, concierge, the maintenance and rental companies.

The residential building is located in the center of the city, and, thanks to the closeness of developed business centers, international universities - high rentals are guaranteed.

The prices depend on the floor and the layout - we offer only some prices, for more information, contact the company, please.
