Apartments in the city center of Kyrenia - definitely consider this offer!. Apartments in a luxury complex of 2 blocks located in Kyrenia, in the upper part of the city. High-quality construction, the use of expensive materials for the final finishing of the premises and well-chosen construction sites are what distinguish this construction company.

This complex consists of 1+1 apartments, 2+1 apartments and two penthouses. The complex has an elegant facade, beautiful balconies and terraces with outdoor furniture, Jacuzzi and sun loungers. Only 10 floors. Already from the 4th floor offers a magnificent view of the sea and mountains. The complex is ideal for those who want to live in the rhythm of the city and those who want to rent out. In the city center of Kyrenia, it becomes a difficult task to find a good apartment = due to the lack of new housing, and new building sites. On the roof of the building there will be a recreation area with a mini-bar and a jacuzzi, below there are underground and surface parking. By purchasing an apartment from the 8th to the 10th floor, you get a free underground parking space, which will significantly reduce your parking headache. Near the complex there are two supermarkets and a shopping center, various Casinos (Casino Grand Pasha, Casino PiaBella), pharmacies, a football field, a gym (which is also provided in the building), a hospital, restaurants and cafes, nightclubs.
