## Описание:

A large selection of inexpensive apartments is offered in the new gated complex Babylon, which is located on 80 hectares of land in the unique beauty of Tatlisu. The complex is comfortably located on the first line of the sea in a beautiful bay.

The famous Hawaii complex is very close, and the residents of the new Babylon complex have the right to use its infrastructure.

The gated complex will use a card system for entry and use of infrastructure.

All apartments will be equipped with central air conditioning.

All properties in the complex will be completed in a "ready to move in" concept as the prices include furniture and household appliances as well as modern sanitary ware.

The complex offers a wide range of one-bedroom apartments - apartments with a garden and penthouses with a roof terrace are available for buyers to choose from. The apartments have a total area of 43 sq.m. and 78 sq.m. and 35 sq.m. residential.
