Описание:

The stunning apartment complex is located in Goneili, not far from the road to Kyrenia, next to a park, shops, a bus stop. The convenient location and affordable prices suggest that these apartments will not remain on the market for long time.

A convenient gated development offers fully finished apartments, in the construction process and at the initial stage of construction.

2 + 1 apartments at a price of 39500 - 44500, area 90 sq.m.

Apartments 3 + 1 at a price of 55,000, an area of 110 sq.m. but suitable for investment and have great rental potential.
