

Apartments with two and three bedrooms in the center of Famagusta

s-f-01

Описание:

Terrific opportunity to purchase an apartment located in the center of Famagusta - ideal for permanent residence or rental, as the apartments for rental are scarce in the city. In walking distance there is everything needed for a comfortable life - shops, restaurants, City Mall, markets, old historic town.

The apartments have high construction quality and there is a choice between two and three bedroom apartments. Early viewing is highly recommended. Convenient payment plan.
