Enjoy the silence surrounded by nature and stunning sea views!

The estate, consisting of two separate self-sufficient houses, is located near the international golf club, beaches and a 15-minute drive from the center of Kyrenia.

Location combined with attention to detail is of paramount importance when choosing a home, and we are pleased to offer you the best in North Cyprus!

Situated on a picturesque viewpoint overlooking the Mediterranean Sea and with a breathtaking 360-degree view of the area, this unique mansion deserves to be called an exclusive offer. The property is located in the Esentepe area, close to sandy beaches and all the necessary infrastructure for life. Currently, this area is becoming one of the most elite and prestigious living areas in the Kyrenia region. It is as popular as it is exclusive. The ideal functionality of the houses is combined with great design and taste.

The houses are built by one of the best architects in Cyprus, with extensive use of high quality materials and materials of an antique character, such as decorative and natural stone, marble, ceramics, woodwork, in addition, the houses are equipped with many modern amenities. These include a swimming pool, barbecue, central heating, fireplace, covered terraces, use of natural stone both outside and inside the house, covered parking for 3 cars, outdoor parking spaces, orchard,..

The estate consists of two houses located on 7 donums of land, fenced with a private road and an entrance gate. On the one hand, the estate is surrounded by a natural ravine, which guarantees the preservation of virgin nature and unique views.

A large manicured garden with built-in details completes the picture of a well-thought-out backyard.
