This groundbreaking project can make your investment an opportunity of a lifetime!

It is currently one of the few sustainable projects in the Esentepe area that cares about the impact we have on our planet.

It combines stylish and modern living with sustainable ideas and plenty of adventure! Together they create a combination that will ensure that your jump into the Mediterranean and the region is profitable!

A cozy complex consisting of apartments and townhouses benefits primarily from its location, because it is located on the very seashore, in close proximity to the international Golf club, as well as a 15-minute drive from the center of Kyrenia. This provides a unique opportunity for residents to use their property for recreation, rental or permanent residence.

The complex offers apartments of various layouts - two bedroom apartments on the ground floor with a garden and stunning townhouses with a stunning rooftop terrace.

Hurry up to purchase a property, because the completion of construction and receipt of the keys in a few months.
