Описание:

Garden apartment and penthouse apartments in a magnificent gated complex with private pool are located in the Zeytinlik district, near the center of Kyrenia.

A fairly expensive area offers silence and stunning sunsets, surrounded by olive groves and expensive real estate residents and Cypriots.

The apartments are located in a gated complex with communal pool.

The location of the complex is remarkable for its proximity to the center of Kyrenia, and untouched nature - olive groves and other green spaces. In a minute walk is the entire infrastructure: schools, offices, shops, cafes.

The apartments on the ground floor have a small garden, a covered area of 91.5 sq.m., where two bedrooms are conveniently located, an open plan living room and kitchen, a balcony of 5 sq.m., a bathroom, utility room.

The construction of apartments is fully completed. Excellent decoration includes kitchen sets, plumbing, a ceramic stove and marble, suspended ceilings with additional lighting. Each apartment has a large parking space.
