

Great location and unique design

Описание:

A total of eight villas will be completed in the popular settlement of Zeytinlik. This land, where construction is limited to 2 floors, has always been popular due to its close location to the city, low percentage of development, excellent road interchange. Accommodation and recreation in a quiet green place, near the center of Kyrenia, the pearl of Cyprus, convenient!

The construction of the villa will be completed in the spring of 2023, however, buyers can expect for a longer payment plan that is always negotiable!
