

# LUXURIOUS 3+1 DUPLEX PENTHOUSE FOR SALE IN NİCOSIYA

s-nic-099

## Описание:

A beautiful work of modern architecture in the heart of the capital city of North Cyprus, Nicosia.

The penthouse has two floor, seperating the bedrooms from the livingroom and the kitchen, creating a sectuary upstairs for the bedrooms, and a spacious area for spending quality time with the family or entertaining friends downstairs.

Wall to ceiling windowns throughout the penthouse make it feel even more spacious that it already is with 240 m2.

Great large terraces on both floors maximize the feeling of luxurious living

Two common bathrooms, also a private bathroom in the master bedroom.

The master bedroom also has a walk-in closet with glass walls for a spacious feel.

Hanging spot lighting over wooden board ceilings for an added modern luxury accent in the penthouse.

American kitchen that has an open concept with a kitchen island.
