

Luxurious and bright penthouse type LOFT

rs-es-44

Описание:

This comfortable and bright one bedroom penthouse by the sea is located in the popular area of Esentepe, on the first line of the sea, in a gated complex with developed infrastructure. One of the main advantages of this apartment is the magnificent view of the Mediterranean Sea, mountains, pool and garden. The modern design of the layout of the apartment is made at the highest level - this is a 1 bedroom loft apartment, where a separate bedroom is located on the second level. The apartment consists of a fully equipped open plan kitchen, living room, bathroom, two terraces on the lower floor and a bedroom with sliding panoramic windows leading to the balcony above. The apartment is being sold fully furnished with exquisite interior design, fitted wardrobes and air conditioning.
