## Описание:

We are delighted to offer you these stunning two-family villas for sale in the quiet and prestigious community of Ozankoy. The Ozankoy region has long been considered an exceptional place to live or relax, because it combines everything you need for a comfortable life - low-rise building in two floors, proximity to the best schools and universities in North Cyprus, the best supermarkets, a mixed community of residents from different countries. To be on the seashore, it will be enough to drive a few minutes by car.

Modern luxury villas are not distinguished by excellent construction quality, expensive finishes, with extensive use of materials from Turkey and other European countries. The villa is located on two floors and has an area of 190 sq.m. The villa is designed in a simple style with a predominance of gray and brown tones. The best Turkish designers developed this magnificent design to make the house as comfortable as possible for living or relaxing.

The spacious kitchen is fully equipped with electrical appliances, large cabinets, built-in shelves to make even the most whimsical hostess happy here. The house has a laundry room, already equipped.

Three bedrooms with showers, fitted wardrobes, beds. Everything is ready for the arrival of new owners in this luxurious home.
