Описание:

This luxurious modern complex consists of several blocks, each with 8 floors, offering apartments of different types and layouts. The complex is located in the very center of Kyrenia, just a few minutes walk to several large supermarkets and the main road connecting Girne, Lefkoshia and Lapta. This place offers a mix of an active lifestyle with the bars, restaurants, supermarkets and clubs of the city within walking distance, while at the same time you have the opportunity to relax at home by the pool, in a complex away from the hustle and bustle. The complex offers a communal pool, children's and sports grounds, underground, which makes it a great place for families and individuals. In such an impressive location with excellent facilities on site as well as in the area, this makes the project one of the best for investment with a high demand for long and short term rentals in the area. If not for investment purposes, what better way to indulge yourself in a luxurious lifestyle?
