

Unique villa in Bellapais, 360 degree panoramas, luxury in four levels!

rs-bl-05

Описание:

Built in a unique design on several donums of the earth, this luxurious villa is located in the village of Bellapais, next to a British school.

The property was built on four levels, and offers self-contained living quarters with a separate entrance, as well as the main building on several floors. The house features continuous 360-degree panoramas of mountains and the sea coast, and the galleries surrounding the building make it possible to admire these landscapes at any time of the day. Most rooms also have continuous panoramas.

The main features of the house are the use of natural stone, marble, granite. Stunning arches made of natural stone, the shape of the pool and of course, the vast territory around the house are impressive. The house is for sale furnished.

All taxes paid, titles received.
