## Описание:

Villas of modern design attract buyers not only in appearance. A carefully selected location will be convenient for any purpose of purchase - permanent residence, rental or investment in Northern Cyprus. The silence and the surrounding evergreen olive groves and the proximity of the main road and the center of Kyrenia, the main supermarkets and offices will make your life comfortable and convenient.

Three bedroom villas offer everything you need for your convenience, and carefully selected materials for finishing work from leading local and European suppliers will surely appeal to every buyer! Large spacious terraces on the first and second floors will allow you to spend most of the time in the fresh air, which is permissible in Cyprus at any time of the year!
