

# One bedroom apartment with a large terrace in Kyrenia

r-ki-09

## Описание:

A cozy modern apartment is located in the center of Kyrenia, on the fifth floor of a six-storey building with an elevator, opposite a green park and next to the city stadium. It will take just a few minutes walk to be in the central part of the city or to reach a public transport stop. Several grocery stores nearby.

Large terraces and stunning 180 degree views make this property stand out as the climate of Northern Cyprus allows you to spend most of the year outdoors!

The apartment offers a spacious living room and open plan kitchen opening onto two terraces. The kitchen is fully equipped, in the center is an "island" with an oven and gas stove and additional kitchen cabinets.

The bedroom also has exits to two large terraces, on one of which there is a wardrobe for storing equipment necessary for the household.
