Описание:

Two bedroom apartments are offered for rent in the already popular complex, which is located just 500 metres from the best beach in the Long Beach region. The apartments are located in a complex with swimming pools, playgrounds, a restaurant, a gym, a well-groomed area and with a maintenance company, which will always answer any questions. The magnificent promenade offers cycling and hiking paths with street simulators, it is so nice to stroll around, enjoying the smell of the sea.

A grocery store is also nearby in the complex and the city of Famagusta is only 7 kilometres away. Rental apartments in this place are very suitable for families with children
