rs-bog-02

Описание:

The fully furnished villa benefits from its location: the beach, the supermarket, the proximity of the mountains and the city of Famagusta. The villa can be a great place for those who decided to spend their retirement years in Northern Cyprus or for those who dream of a house on the sea where they can spend their vacation.

The property offers three large bedrooms, three bathrooms, an open plan living room, the kitchen and the dining room. The sitting room has the fire place.

The main bedroom has a large terrace, a dressing room and a shower room.

The plot of the villa is 600 sq.m., on which was built a stone gazebo with barbecue, the shed, and the covered parking.
