## Описание:

**New Price!**

**65000 GBP-60000 GBP**

The penthouse is located in a small residential complex in Bahceli, which consist of 45 apartments. Just entering the development, you will immediately feel the extraordinary care and love that the residents have given to each tree and plant in gardens and public areas.

The penthouse is located on the first line of the development, has two bedrooms, an open plan of the living room and the kitchen, shower, a terrace overlooking the sea with the access from the living room, and a roof terrace where the sun almost never leaves you.

The owner of the apartment has made some design changes, and we must admit – they may serve as an example of the impeccable taste. The wall and floor stove, kitchen cabinets were changed a few months ago and can be a model of great quality and taste.

Complex maintenance - 500 GBP per month

The apartment is sold fully furnished, individual title deeds were received in the owner's name.
