Описание:

A small cozy complex consists of 4 two-storey buildings, it has a great location in Catalkoy, close to all necessary infrastructure, and at the same time, in a quiet region near the sea. Two and three bedroom apartments in the complex are offered with different layouts. Buyers can choose a ground floor apartment or a penthouse with a spacious roof terrace from 40 to 70 sq.m. In the first building overlooking the central road, there are also two-storey and ground-floor offices offered for sale.

Apartments 1+1 have an area of 55 sq.m.

Apartments 2+1 have an area of 85 sq.m. , while penthouses have an additional roof terrace.

Completion of the construction of the entire complex - June 2024
