Описание:

We are pleased to bring to your attention a new, without any doubt, worthy of close attention complex with a developed infrastructure.
The apartment complex, consisting of five residential blocks, is located 1.5 km. from the sandy state beach in Bogaz, Iskele and offers a great place to live for those who want to live away from noisy tourist areas and at the same time be able to walk or drive to the beach in a few minutes. The complex has an excellent infrastructure for the most comfortable stay or residence in summer or winter, and the residents of the complex may well be satisfied with the services of the complex without leaving.
For those who want to buy an apartment here, studios, 1 + 1 apartments of different layouts and 2 + 1 apartments of different layouts are offered for sale. In addition, for more demanding buyers, there are apartments and penthouses with large terraces and jacuzzis.

Apartment specifications:
2+1 apartments 75 – 100 sq.m. + 7 sq.m. terrace
2+1 apartments - 76 sq.m + 7 sq.m.
