

Studios and apartments in a modern building in the heart of Famagusta

s-f-15

Описание:

The modern beautiful building is located in the very center of Famagusta, within walking distance to supermarkets, shops, Universities, to the popular Sakarya street or City Mall shopping center ... The complex is the latest project that will embody the modern requirements of architecture and design, and will undoubtedly decorate the city of Famagusta ... The area is the center of the business life of the city of Famagusta and, without a doubt, it will always be in demand for rent and accommodation.

For sale luxury apartments with two bedrooms, balconies from 7 sq.m. on different floors of the building.

Apartments are sold with full modern decoration, built-in kitchen, wardrobes in the bedrooms.

The apartments are ideal for a profitable rental investment.
