Описание:

The new housing project is located in Iskele, in the Long Beach area, it offers affordable residential real estate in a wonderful climate, near the azure Mediterranean Sea.

The residential building of 11 floors offers modern apartments such as studios and penthouse studios, and also offers infrastructure to its residents - a swimming pool, a restaurant, outdoor parking, so that the owners of the apartments will live in a privileged holiday 800 meters from the sea.

If you are not yet a property owner in the fast-growing Long Beach region, you now have the opportunity to purchase an affordable studio apartment in a unique project. You are guaranteed to receive a high rental income - because the building is conveniently located and is very close to all the necessary infrastructure, providing easy access to the city center. It is a valuable and attractive investment alternative for homeowners, satisfying basic needs such as a private beach, bank, cafe bar, school, hospital.

The project is located just 1 km from Long Beach, it will be convenient for permanent residence, renting out an apartment or for investment purposes.

The studio apartments have an area of 31.5 sq.m., a terrace of 7 sq.m.
