## Описание:

Stunning four-level townhouses will captivate you at first sight, as the amazing location in the silence of olive groves and close to all infrastructure and the city center of Kyrenia offers many advantages for permanent living or recreation or renting out if you are interested in rental income.

The lower level of the property has a separate entrance, covered garage and utility room. A staircase leads you to the main chambers with a modern kitchen and living room with stunning views, as well as a bedroom with pool views and a bathroom.

The upper floor offers two separate bedrooms with fitted showers. But that's not all - if you climb higher to the private rooftop terrace, you will see a stunning relaxation spot with panoramic views.
