

# Three bedroom apartments in Ozankoy, Turkish titles

s-oz-02

## Описание:

"Ready to move into" tree bedroom apartments are offered for sale in the popular traditional settlement of Ozankoy. The complex is perfect for permanent living, using as a holiday home or renting out to produce an income, due to its location, excellent quality of construction with public area where there is a swimming pool, well-groomed "green" territory, parking, and a public terrace for leisure. The stunningly clever use of features of Ottoman design, with the use of stone and wood, provides an inimitable character to this complex. Maybe that is why it has already been chosen for both permanent living and for holiday homes by families from England, Germany, and Russia.

The apartments have Turkish title, and have an area of 126 sq.m. There is an opportunity to buy an apartment with full furniture and they can even come with "ready tenants" for
