Описание:

The residential complex with communal territory is located in the Alsancak region, west of Kyrenia, a popular tourist city in North Cyprus. From the south side, residents can enjoy the views of the evergreen mountains, and from the north in front of them is the magnificent panorama of the sea. The project is located in a quiet residential area, consists of 90 units of luxury 2 + 1 apartments with breathtaking views of the mountains and the sea. The apartments have either a private garden and a balcony or roof terrace. All residents of the complex are offered the beautiful views of the Mediterranean Sea and unique views of the sunrises and sunsets. British College is located nearby, which will be convenient for those who have school-aged children.

The apartment complex, where quality and modern architecture combine splendour under one roof, has social areas such as a 2000 m2 green area surrounded by olive trees, the symbol of Cyprus, swimming pool and a children's pool where residents can enjoy the sun, as well as children's playground for the small residents.

The project has an excellent location and modern architectural style, located close to many amenities such as hospital, market, petrol station, restaurant, pharmacy, hairdresser, shops and entertainment, etc.

The project is also close to popular destinations such as the Kamel beach club, one of the most beautiful beaches in Kyrenia, the Merit hotel area, the American University and the Lapta coastal promenade.

The project is due to complete in June 2024.
