## Описание:

We are pleased to offer you this stunning penthouse in the center of Kyrenia where you can enjoy uninterrupted views of the sea and mountains, where you can live in the city center and at the same time live in silence and watch the stars, soaking in the jacuzzi that is located on the terrace. The penthouses are located on the 10th floor.

A complex with an elegant façade, beautiful balconies and terraces where you can place outdoor furniture, a jacuzzi and sun loungers. Only 10 floors.

The complex is ideal for those who want to live in the rhythm of the city, as well as for renting out. Almost nothing is rented in the city center due to the lack of new housing. On the roof of our house there will be a lounge area with a mini bar and a Jacuzzi. There is also ground and underground parking. By purchasing apartments from the 8th to the 10th floor, underground parking is a gift, which will significantly reduce your parking headache. There are two supermarkets nearby and a 10-minute Pure Touch Anti Aging shopping center, several Casinos (Grand Pasha Casino, PiaBella Casino), pharmacies, a football field, a gym (we will also have it in the complex), a hospital, restaurants and cafes, nightclubs, Just 10 minutes to the promenade with its cozy cafes and Long Beach Tatil Evleri.
