Описание:

A rare opportunity to purchase villa in residential, developed and highly sought after area near Kyrenia - Karaoglanoglu. Prime location, in walking distance to the sea shore, international university and all of the amenities makes the property ideal for permanent or holiday residence or potential rental.

Beautiful modern design of the villas with elements of Mediterranean character blend in perfectly with the surroundings. Villa accommodates 4 bedrooms, 3 bathrooms, and buying a property during the construction process allows for various modifications, such as a separate / open plan kitchen, or a choice of building materials. Early viewing is recommended.
