Описание:

Residential complex of luxury villas is located in elevated position with the most stunning uninterrupted views of the Mediterranean Sea and evergreen Kyrenia mountain range. The position of the villas combined with the clean environment, peace and tranquility of the area provides comfortable and luxury living. Beautiful sandy beach, forest reserve protected by law from construction, harbour, and a fresh fish restaurant on the shore are just some advantages of the Kayalar area.

Exterior of the buildings designed in the traditional classical style that elegantly blends into the natural landscape. Lovely combination of stone, wood pergolas and classical interior. The villas have private pools and large plots of 700 m2. Availability of all communications, convenient access to roads, excellent architectural design makes this complex of villas especially attractive for people who appreciate style, peace and elegance.
