Описание:

The green forest and stunning panoramas, the silence and proximity of the entire infrastructure, stunning design and all the amenities - and these are not all the reasons why you just need to see these villas located in one of the most picturesque corners of Northern Cyprus. The unique complex offers you a large selection of villas with three bedrooms. A convenient payment plan is offered for buyers - installment plan and credit.

Reinforced concrete structure with block filling

Insulated pitched roof with overlapping traditional tiles on a wooden frame

UPVC double-glazed windows with wooden frames for kitchen compartments

Decorative wrought iron railings on balconies and terraces

An infrastructure has been created for courtesy lighting, exterior wall lighting and indoor central lighting. A lantern will be installed next to each front door.

Underground 5-ton water tank plus 1-ton roof tank above the stairs

Electric water heater

Solar panels
